CONFERENCE
MELBOURNE
2020

THE FUTURE OF MEDICINAL CANNABIS CONFERENCE MELBOURNE MARCH 3-4 2020

The Medicinal Cannabis Industry Australia, ([MCIA](#)) is launching the inaugural ACannabis Conference to help define and shape the future of the Australian Medicinal Cannabis industry.

The event will draw together all facet of the industries ecosystem to connect, engage and build a framework to support patients' well-being, enable best practice, and strengthen growth for the industry.

What to expect from the event:

[ACannabis](#) is the platform to gain a deep understanding of ground-breaking research, an inside perspective on global trends and a unique opportunity for the agtech and medtech sector to have the conversations required to leverage our advantages. It's a place where thought leaders can inspire innovators, patient advocates can connect with cultivators and investors can discover manufacturers.

Who is supporting?

Who's coming:

This event will draw together policy makers, government, global leaders, healthcare professionals, business, Biotech, Agtech, Medtech, patients and industry participants to share knowledge, exchange ideas and showcase leading edge industry technologies and opportunities and investment.

Program:

A dynamic program is being developed drawing national and international thought leaders covering topics in innovation, cultivation, science, research, finance, medtech, agtech and governmental policy.

Partnership Opportunities:

Interested in becoming a partner of ACannabis? Please visit the event website for more information.

ACannabis is being held on 3 & 4 March, 2020 in Melbourne that will support the future of medicinal cannabis both in Australia and globally, [head to our website](#) to learn more.
